Trendsetter

Staying true to the effortlessly cool aesthetic,
the BGN brand presents a confident collection of future classics..

Forever Chic

Once a fashion statement, always a fashion statement.

This season leopard print arrived in faux fur coat form;
masculine and oversized with the companionship of plaid trousers,
layered with the classic turtle neck.

Elegance With Attitude

The masculine stamp on military details, meets with ultra-feminine silhouettes.

Feeling Now

A fashion classic plaid is mixed with masculine and feminine details.

Timeless Monochrome

Perfectly cut but with quirky details, the new black dress is timeless with a fashion-forward edge. The embroidery detail creates a rich and shiny look.

Modern Business

Fresh and modern feel for the business woman.

Grey colour two-piece suit paired with long gloves for a sophisticated but carefree look.

Winter Garden

Exclusive vivid prints to convey a tangible look. Embrace the romance of flowers.

Endlessly Wearable

Soft Touch

Leisurewear at its best. The softest garments meets with nostalgic details to create the comfiest looks.

Basic & Comfort

A sophisticated touch to the sportive jackets. This puffer styled with oversized turtle neck emphasizes that comfort and elegance can go together.

With an emphasis on the flawless quality the knitwear and long white coat will carry the wardrobes to the next level.

City Guide

With its liberating spirit and sense of freedom the new tartan prints are the key looks for the season.

Green World

Timeless and elegant. This floral print is exclusively created by the house.

These looks went full feminine with its details.

Red and pink colour pairing are going big this season.
